School Priorities 2013

Our 4 key priorities are:

- A Higher Level of Student Achievement
- Differentiation
- Teacher Sharing of Best Practice and Mentoring
- Explicit Rules and Routines

School Website

Our school website has completed the first part of an update. Over the rest of the year we shall be adding sections to it so as to provide further information about what is happening in the classrooms of your child. Please update your link and favourites.

https://maroochyss.eq.edu.au
NB – to assist all parents when your child is absent the website has an absence form for you to complete which will notify the school and update our records. Or you can still contact the school and if the phone is unattended leave a message with your child’s name and a reason for the absence.

School Positive Behaviour
Be Safe
Be Respectful
Be Responsible
Across this term we have been highlighting in our weekly Parades two areas that make us Safe at School. 1) Being in the right play area and 2) being sun safe and wearing a hat when out at play.

For the remainder of the term we shall be looking at Being Respectful and reinforcing some of the basics:

- Good morning/afternoon,
- Hello, how are you?
- Please and thank you,
- Can I help you?
- We will take turns

As well as the role of being positive in conversations by reminding a speaker that when they revert to negative thoughts and words that this is unacceptable in our school.

Getting ready for Prep!!

Important dates:
Monday, 28th October – Prep parent information session
Thursday, 14th November – Prep parent interviews
