Welcome to the hidden gem - Maroochydore State School

This week class teachers have sent home a Settling in Report with your child. This will give parents a brief overview into how your child has settled into the new school year, and, about their early learning habits and interactions with their peers.

I encourage all parents to make an appointment to meet with the class teacher and develop that partnership between the parent and teacher that leads to an improvement in the child’s learning. Research does show this partnership is highly successful and a positive start around the child's learning at school.

Willing Minds
A willing mind continues to build on our warm smiles and it too contributes to a positive, friendly and co-operative school atmosphere.

We encourage every child every day to be ready for their learning and to strive to do their best in their school work.

At home, reading to your children will continue to challenge and excite their imaginations. Their knowledge of words will grow as well as their understanding of what is being read to them.

The perfect start to strong learning habits.

If your child is absent – please call the Office on 5475 1555. Please let us know your child's name, class and a reason for their absence. On the school website there is also a form that can be completed. https://maroochyss.eq.edu.au

Our 4 School Rules are:
- Be Respectful
- Be Responsible
- Be Safe
- Be a Learner

For the next two weeks we are focusing on the Be Safe rule:

Being in the Right Place at the Right Time

This week we have sent home the Voluntary Contribution Scheme to all parents. This $50 per student contribution enables the school to provide further resources for your child to use and access at school. Again this year we will use these funds to support our IT programme and to enhance the reading books in every classroom. Thank you for your prompt payment to our School Office.
All student mobile phones are to be taken to the School Office for safe keeping during the school day. Students collect them at the end of the school teaching and learning day at 2:30pm.

Congratulations to Hope and Julian who swam at the Coastal District Swim Carnival at Cotton Tree on Tuesday. Both of the students swam very well and were very competitive in their races. Well done for the hard work and effort you put into your training and racing.

School Leaders – a reminder for all Year 6 students to have their application for School Captain in by the end of school on Monday. All applications for Sports Leaders (Year 6 students) and Student Council (Year 5 and Year 5 Students) will also need to be submitted by the end of school on Monday.
