Our 4 key priorities are:

- A Higher Level of Student Achievement
- Differentiation
- Teacher Sharing of Best Practice and Mentoring
- Explicit Rules and Routines

Terrific Cross Country Weather.
On Monday Prep to Yr 7 students competed in the Cross Country. The course snaked around the oval, playgrounds, tennis courts and Hall and saw all competitors dodging raindrops from a threatening sky! Many thanks to the parents who acted as course marshalls and guided the runners around.

Well done to all students who ran and walked – impressive participation and encouragement by all.

Congratulations to our speedy runners!

Anzac Day - well done to our students and parents who joined in with the RSL Maroochydore Anzac Day March and Service. We had a terrific group of keen students who marched behind our School Flag and the Australian Flag at the head of the schools section of the March. Our 4 school leaders were also part of the formal part of the Service and placed...
wreaths on the Cenotaph. Many thanks to Year 3 and Year 4 students who made these wreaths - a great job.

School Wide Positive Behaviour – we need new Bees for our 4 school rules posters.

A design competition – using a bee as the central focus.

We have 4 school rules – Be Safe, Be Responsible, Be Respectful and Be a Learner.

The design is to include one of the school rules and a large bee in the design. The most effective design will have a simple colourful background, a large bee and one of the school rules on it.

All students are invited to submit their design to their class teacher by Thursday May 8 where 3 will be selected to be submitted for a final selection of 4 posters – each representing the 4 school rules.

Good luck in creating a simple yet eye-catching BEE design

Social Netiquette – see the article on our school website on Friday under the Parenting Ideas tab - www.maroochyss.eq.edu.au

School Photos

School class photos and individual photos will be taken at our school by ‘SCHOOLDAYS MEMORIES’ on

Wednesday 7th of May 2014

Photos will be taken of ALL students, groups and siblings.

Your order form, with the portrait image of your child attached, will be issued to you AFTER photo day. You will be able to view your child’s portrait on the order form, before placing your order.

This year photos are available online for viewing and purchasing using a password which will be located on the order form under the student preview photo.

However, SIBLINGS PHOTOS must be ordered in advance and will not be available online for purchasing.

To order siblings photos, please request an order form from the school office, and return to your school two days prior to photo day.

Information on photo packs and prices, as well as sample photos, are available for viewing at your school.

Various options and packages at very competitive prices will be available, and will be set out on your order form. The closing date for your orders to be submitted will be approx. 3 weeks from photo day.

Please ensure that your child is present on the big day, and wearing a clean and tidy uniform.
Thank you to Mr and Mrs Watts for their wonderful donation of a set of Dr Seuss Books - some fun reading coming up!

An important reminder follows

It's almost Mother's day!

Please RSVP by May 5 to the School Office - 54751555
