Across Term 4 the Tuckshop will only be opening on a Friday.

Due to reducing revenue across the three days the P&C will trial opening the Tuckshop on each Friday only for this term and continue to monitor and review operations across the term. If you are available to volunteer in the Tuckshop on a Friday your effort will be greatly appreciated. Please contact the Office to let us know how often on a Friday you can volunteer and assist in the Tuckshop.

Welcome to Term 4
The final term of the 2014 school year is upon us. It was wonderful to welcome all students back yesterday to what will be a busy term.

Don’t forget to have a look skywards tonight to witness the second lunar eclipse of the year. Swimming and surf skills are upcoming.

No doubt a talent quest will keep us entertained during break times in late November and into December.

A reminder to parents to check in with your child’s class teacher on the progress of your child!

We begin to welcome the 2015 Prep students to our school and this is the last term of primary school for our Year 6 and Year 7 students. They both shall move to High School in 2015.

Prep to Year 5 Swimming
The weather is warming up and it’s swimming time for our students.

Across Week 2, each day, our Prep to Year 5 students will be attending swimming instruction at Cotton Tree Pool under the direction of swimming instructors and school staff.

All students will wear their school uniform to school and they will need to bring each day in a suitable bag – togs, towel, rash shirt, sunscreen and a water bottle. Please also include a pair of thongs for movement to and from the pool.

I know two of my three children would also take goggles, some students may like to also bring a swimming cap or for longer hair please make sure hair is tied back!

Payment was due at the beginning of the term and last day is tomorrow Thursday.

Year 6 and Year 7 Surf Skills
Begins Friday November 7 and notes have gone home and many payments have already been made. Thank you!

Social Media
Mrs Pool is updating our channels of information for parents – if you are a Facebook user you might like to check in and follow the school page.
