Grandparents Day at Maroochydore State School
Our inaugural Maroochydore SS Grandparents Day will be on Thursday 30 October and will involve students from Prep to Yr3.
Grandparents who live nearby are invited to join their grandchild in their classroom for a short time. This is a small and casual celebration and we don’t want grandparents to travel to attend. Students will also receive a postcard to send to grandparents who will not be able to come.
Classes will be doing different activities and notes went home Wednesday 22/10/14.
