**Year 7 Mathematics Success – Regional Mathematics Day – Kawana Community Hall**

Last Wednesday five of our Year 7 students achieved outstanding results in this competition. Fina, Abbey and Luke were very high achievers and we are delighted with their fantastic results, which out scored all our local coastal school students!

**Grandparents Day at Maroochydore State School**

Our inaugural Maroochydore SS Grandparents Day was a very successful morning with a number of grandparents, parents and friends coming along to enjoy learning a bit more about what happens in their grandchild’s class.

**Day for Daniel – the students raised over $150**

Our Friday Walk for Daniel started on the oval with each class completing a walking lap of the oval before joining in with a large scale ‘wave’ and quite a few ‘fire cracker’ claps. Thanks to all those students who wore red and to those who donated a gold coin.
